Time & Money: What Are My Priorities?

Presented by

Fr. Toby Collins, C.R. & Francis Doyle

Pastor of St. Mary's Parish, Kitchener

Diocese of Hamilton*

About the Topic

How we spend our time and our money reveals a great deal about our priorities. Do we own our possessions or do they own us? We are called to act as responsible trustees of God's gifts – good stewards of all that He has gifted us. Whether our time, our talent, our relationships, our health or our wealth – all are gifts from God. An insightful talk on freedom from possessiveness and our responsibility to be good stewards, always striving to use and grow our gifts wisely.

"When we cling to our possessions, we sink. When we are generous with it, we never are in want." – Thomas Cardinal Collins

"The world and all that is in it belong to the Lord" – Psalm 24:1
