

When sending in electronic funds, especially e-transfers, you must indicate your first **AND** last name in order to receive an accurate tax receipt. Several e-transfers come to the church with only a first name or a name such as pianogirl123 (fictitious, of course!) and you will unfortunately not get a tax receipt. You must also indicate if the e-transfer is for a different purpose (i.e., mass stipend, spaghetti dinner, registrations, etc.). Also, please keep your banking information up to date (have you moved; has a spouse died and you are continuing with the same account, have you gotten married, and so on).

This option also has zero administration time and costs to the parish and you can get your tax receipt directly through Canada Helps.

TipTap Pay: We now have TipTap pay for your convenience. Scan the QR Code and register your card (one time only) and you will be able to receive a tax receipt. If you are using more than one device or card, register each one as you use it, as each separate device (even if you are using the same account) generates a different four-digit code.
